### Travel Tip #1: Arrange pickup transportation to/from airport with hotel

Ubers/Lyfts are not available in Santorini and Mykonos and Taxis are limited.

### Travel Tip #2: Make dinner reservations in advance

Restaurants are small, so availability is limited. Leverage your hotel concierge to assist in making the reservations to ensure requests are accommodated, such as special occasions or securing a table with the best view.

### Travel Tip #3: Request room with extra privacy in Santorini

Submit a request to secure a room closer to the bottom of the cliff to provide additional privacy during your stay at Mystique (or other cliffside resort in Oia).

### Travel Tip #4: Plan for late dinners

In Greece it is customary to eat dinner later in the evening (around 9-10pm). We made reservations around 8pm or later except when planning to watch the sunset during dinner in Santorini.

### Travel Tip #5: Plan for lighter carry-ons for domestic flights

Olympic Air had strict luggage requirements for carry-ons. Avoid additional fees by understanding the weight and size restrictions ahead of time.
